## LOCAL MATTERS.

**WEATHER PROBABILITIES.**—For this week unsettled weather with conditions favorable for showers and thunderstorms to occur. Wednesday probably fair; cooler; mostly winds.

**DEMOCRATIC WARD MEETINGS** were held last night in this city to elect delegates to the State convention. The meetings were but thinly attended and comparatively little interest was taken in the result.

In the first ward a resolution declaring in favor of free silver was adopted, while in the second ward a resolution in favor of the gold standard was carried. The other two wards were silent on the subject. The delegates are about equally divided on the silver question, though the silver men claim a majority. The first ward meeting was held at the Concordia and was called to order by Mr. W. B. Dobbie, who was elected chairman. Mr. Hubert Snowden was elected secretary.

Messrs. J. M. Hill, T. Alton Moore, Chas. Cuvillier and W. B. Dobbie were unanimously elected delegates, and were authorized to name their own alternates. On motion of Mr. W. B. Dobbie the delegates were instructed to vote for the free and unlimited coinage of silver.

The second ward meeting was held in the Mayor's office and was called to order by Mr. G. E. Price, who was also elected chairman, with Mr. G. W. Fisher as secretary. A resolution in honor of the gold standard was adopted. Messrs. Leonard Marbury, T. L. Cockrell and John M. Harlow were placed in nomination for delegates and a ballot being taken each received a vote—all that were cast—and were declared elected.

The following resolutions were adopted: Whereas the sentiment of this meeting is in favor of a sound money system, as advocated by Jefferson, and carried out by the present administration—that is, that silver should only be recognized to the extent of its commercial value, therefore be it resolved that the delegates to the State convention from this ward are instructed to oppose to the bitter end any resolution in favor of free and unlimited coinage of silver at the ratio of 16 to 1.

And further, to resist any attempt to their arms, and the free silver advocates to saddle the delegates to Chicago the proposed sound and undemocratic unit rule. In the third ward the meeting was held in the County Court House and was called to order by Mr. B. F. Penn. Mr. G. L. Booth was chosen chairman and Mr. O. B. Hopkins secretary. A ballot for delegates resulted as follows: T. W. Robinson, 27; L. C. Barley, 27; L. W. Drury, 25; Chas. Bendheim, 24; R. H. Cox, 22; G. H. Norton, 21; G. A. Mashbach, 20; T. Rouse, 20; S. H. Lunt, 19; scattering, 2. So Messrs. Robinson, Barley, Drury, Bendheim, Cox, Norton, Mashbach and Rouse were declared elected. It is said that the delegates stand 4 for and 4 against free silver.

In the fourth ward the meeting was held in the marble yard, near the corner of Duke and Columbus streets. Mr. J. T. Sweeney was chairman and Mr. M. P. Vincent was secretary. The first ballot for delegates resulted as follows: F. L. Smith, 24; J. A. Marshall, 22; Ashby Miller, 21; T. J. Fannon, 16; R. Beckham, 16; W. B. Smoot, 16; M. P. Vincent, 15; J. H. Janney, 9. Messrs. Smith, Marshall and Miller were declared elected, and on a second ballot Messrs. T. J. Fannon and Vincent were chosen. It is said that this delegation stands 3 to 2 in favor of free coinage. A resolution to instruct the delegation to vote against the free coinage of silver at a ratio of 16 to 1 was lost.

A largely-attended meeting of the democratic voters of Jefferson district was held at Hume school yesterday evening. The meeting organized by the selection of Joseph E. Supplee as chairman and G. E. Rucker secretary. Frank Hume was elected delegate and E. T. Sisson alternate to the State convention. Frank Hume was also chosen delegate and Dr. D. N. Rust alternate to the congressional convention. A resolution favoring the coinage of silver at the ratio of 16 to 1 and endorsing the course of Senator Daniel was adopted. In Arlington district Messrs. Robert Walker and Joseph Leary were elected delegates to the state convention and Mr. W. W. Douglass delegate to the State convention.

In Washington district Mr. A. A. Lipscomb was elected delegate to the State convention. All the delegates assembled here.

Those wishing to make donations can send them to Mrs. D. H. Appich.

## MEMORIAL DAY ECHOES.

The temperature yesterday was pleasant and the memorial services were successful in every particular. Shortly before the parade started there was a suspicion of rain, but it amounted to but little and in no way interfered with the programme which had been arranged. Washington street for several squares was packed with people, among whom was a large percentage from Washington and surrounding country. The streets through which the procession passed were alive with people, and when it reached the monument at the intersection of Prince and Washington streets the spectators massed themselves into a huge crowd. Everything passed off satisfactorily and all who participated in the celebration were highly pleased.

The exercises yesterday were carried out according to the programme published in the GAZETTE of that date. The procession was not so large as on some former occasions, but the organizations in line—Lee Camp, the Alexandria Light Infantry, and the Columbia fire company—made a most creditable appearance. Quite a number of Sons of Confederate Veterans were also in line, while the Children of the Confederacy, of Mary Custie Lee Chapter, both boys and girls, in charge of Mrs. D. H. Appich and Miss Minnie Lloyd were one of the features of the exercises. When the procession reached the Confederate monument the organizations divided and formed on the different sides, while the choir sang a hymn from a platform which had been erected south of the monument. Capt. Thomas Perry, Commander of Lee Camp, was master of ceremonies and, from another platform on which the color bearers had taken their stand with the flags, called the assemblage to order. After another hymn he introduced Rev. Berryman Green, rector of Christ Church, who offered the following prayer:

Almighty and ever-living God, who hast in all ages showed forth Thy power and Thy mercy in the wonderful preservation of Thy Church, and in the protection of all peoples who profess Thy holy and eternal truth, and put their trust in Thee, we yield Thee hearty thanks that Thou hast again permitted us to come together to honor our dead and commemorate the deeds of heroism of those patriots whom Thou didst raise up to do battle for the cause we love, and as clerical their memories, may we imitate their virtues. In Thee they trusted as the God of battles; to Thee we come to-day as the God of peace, beseeching Thee that Thou, who dost make ways to cease, may so help us to improve the advantages of peace for the advancement of religion and liberty, that the wilderness and the solitary places may be made glad through us, and the desert rejoice and blossom as the rose. And to Thy name, in the unity of the Father, Son, and Holy Spirit be all honor and glory world without end. Amen.

After another hymn by the chorus and music by the Third Regiment Drum Corps Capt. Perry, in a few appropriate remarks, introduced the orator of the day, Rev. J. T. Williams, pastor of the M. E. Church South of this city, who, he said, was a member of Mosby's gallant battalion, every member of which had heard and felt the shock of battle. Mr. Williams then, after a few introductory remarks, delivered the address as published in yesterday's GAZETTE. The address, which was an admirable one and well suited to the occasion, was most liberally applauded, and at its close and after a hymn by the choir and music by the Friendship Drum Corps, the organizations in line filed by the monument, which was already beautifully decorated, and placed more flowers at its base. The parade then reformed and marched to Christ Church yard, where, after a hymn by a quartette and music by the drum corps, the Confederate mound, which had already been made a mound of flowers, was still further decorated with the bouquets carried by those in line and by the children who had gathered in the yard.

The music by the choir, composed of members of several of the church choirs, was excellent. Mr. H. K. Field was the director. Miss Lula Cockey presided at the organ, while Mr. Phil Briscoe led with the cornet.

The monument was very prettily decorated. In addition to the evergreens and flowers, a white dove was placed at each of the four corners of the pedestal, which gave a very pleasing effect. The mound in Christ Church yard was never more profusely decorated. Some of the floral tributes were very beautiful.

**PERSONAL.**—Mr. Graham Hill has returned from Baltimore much improved in health.

It is said that Gen. Fitz Lee will certainly leave for Cuba this week.

The Charleston, S. C., News and Courier of the 11th inst., in reporting a sermon preached in that city on the previous day by Rev. T. P. Baker, says: "The pulpit of St. Michael's Church yesterday was filled by Rev. Thos. P. Baker. Despite the extreme warmth of the weather Mr. Baker's friends and admirers attended the service in large numbers, the congregation being much greater than usual. After the service Mr. B. held quite a levee in the vestry room of the church. During the session of the Diocesan Council here he is the guest of Mr. Charles H. Draper."
